GAZEBOS

Custom gazebos are all the rage at markets, festivals and fairs. Invest in one now, and get your brand seen at events for years to come.

Our gazebos feature a heavy duty 'hex' frame with a waterproof printed canopy. They compact into a wheeled bag for easy storage and transport, then pop up and lock into place ready for action when you need it.

Suitable for year-round use, they'll keep you (and your stock) shaded from the sun and protected from showers when it rains.

POP OUT BANNERS

These springy pop out banners are easy to put up with their 'pop out' construction method. Just release it from the carry bag and watch as it assembles itself in an instant. Great for both outdoor and indoor events.

Each one includes two single sided printed graphic panels, a carry case and tent pegs for securing into position if being used outside on a soft surface like grass. Each panel can have a different message, or the same on both sides – it's up to you.

Great for sporting events, corporate buildings, music events, festivals and construction sites.

All covers are hemmed and are given eyelets for easy attachment. Small holes in the fabric allow wind to pass through easily for those highly exposed areas.

FLAGS

Let's do a little experiment. On your way home tonight, count the number of flags you see. They're absolutely everywhere.

Why's that? Well, for around a hundred quid, you get a three metre high, fluttering, piece of eye catching marketing for your business. They are such great value, it's no wonder businesses are lining them up on their car park and forecourt and outside their front door. All our flags are suitable for use indoors and outdoors.

With printed fabric, the possibilities are endless. You can buy any of our fabrics, printed with your design and priced by the square metre. The minimum price is just one square metre. Each fabric comes in different widths, so check online for the maximum width and lengths.

The lowest cost option is unfinished raw fabric, great if you're making it into something else. Or opt for a hem, to make a neat edge. Other optional finishes include eyelets or silicon edges – add to your basket to see the cost.
