MEETING BOOTHS

Space-only stands at exhibitions can be instantly decorated with one of these impressive booths – they're incredible in real life. They can also be used in offices to make inspirational areas for solo work or private meetings. Both the inside and outside are printed for a full 360° experience.

STRAIGHT BACKDROPS

Straight backdrops are easily built in just a few minutes. They use a single, continuous graphic, so messages can stretch across the whole stand.

They're optionally double sided too. The magic of stretchy fabric means you can design one message for the front and another design for the back, then switch the covers round depending on the event!

DISPLAY STANDS

Freestanding display stands are easy to assemble and highly portable. The frames simply clip together, then the fabric graphic goes over the top. After use, they dismantle in minutes so users can be on their way in no time at all.

Great for short term events like networking meetings and exhibitions or for long term use as in-store point-of-sale and office displays.

FURNITURE

The price of hiring exhibition furniture is extortionate. Why then not supply clients with their own that they can use time and time again? Choose from a cool range of chairs, tables and lounge furniture with the added bonus of being able to add logos and brand colours. Better still – when the show's over, clients can use them around the office.

GAZEBOS

Custom gazebos are all the rage at markets, festivals and fairs. Ours feature a heavy duty 'hex' frame with a waterproof printed canopy.

They compact into a wheeled bag for easy storage and transport, then pop up and lock into place ready for action when needed.

Suitable for year-round use.

Frame contracts to compact size

Pull the legs outwards – the frame builds itself

Arrange the corners of the canopy

POP OUT BANNERS

These springy pop out banners are easy to put up with their 'pop out' construction method. Just release it from the carry bag and watch as it assembles itself in an instant. Great for both outdoor and indoor events.

Each one includes two single sided printed graphic panels, a carry case and tent pegs for securing into position if being used outside on a soft surface like grass. Each panel can have a different message, or the same on both sides.

FLAGS

Flags are absolutely everywhere. Why's that? Well, for around a hundred quid, you get a three metre high, fluttering, piece of eye catching marketing. They are such great value, it's no wonder businesses are lining them up on their forecourt and outside their front door. All our flags are suitable for use indoors and outdoors.
